

EXPERIENCES DESIGNED TO ENGAGE

From corporate gatherings to large-scale conventions and branded activations, Hot Shots creates elevated beverage experiences built to engage guests, support your brand, and deliver seamless service.

FEATURED EXPERIENCES

PRINTED LATTES

Transform every drink into a branded touchpoint with custom latte printing. Add logos, welcome messages, QR codes, event themes, or personalized artwork directly onto foam for a memorable guest experience. Perfect for conferences, executive lounges, product launches, and VIP hospitality activations.

BRANDED ACTIVATION

More than coffee service — create a fully immersive brand experience. From custom cart and digital signage to interactive beverage moments, every detail is designed to reinforce your company identity and engage guests in a premium, modern way.

“

We have used Hot Shots for large events over the past few years. They are so dependable with never an issue! I would highly recommend for the coffee bar as well as the gelato!

“

We had a fantastic experience with Hot Shots for our corporate event! The setup was smooth, the service was professional, and the coffee was a hit with over 250 attendees. Highly recommended — we'll definitely keep them in mind for future events!
